Jl. Kesehatan No.12, Gedong, Kec. Ps. Rebo, Jakarta Timur.

INFORMATICS ENGINEERING

Fresh graduate in Informatics Engineering from Universitas Muhammadiyah Prof. Dr. HAMKA with an interest in web development, cloud computing, and information systems. Experienced in developing web-based applications through academic projects and internship/program activities, including e-commerce systems and tourism applications. Familiar with technologies such as PHP, MySQL, JavaScript, and Google Cloud Platform (GCP). Able to work both independently and in teams, with good problem-solving and communication skills.

RECENT PROJECTS

E-Commerce Website – JKT Sweet Dessert

Developed a web-based e-commerce system for product ordering and sales management as a final project. Implemented product management, order management, sales reporting, and sales forecasting features using the Simple Moving Average (SMA) method.

Bali Tourism Recommendation Application

Developed a tourism information application to help users find tourism destinations in Bali. Responsible for back-end development, database management, and API integration within a team project.

EXPERIENCE

Bangkit Academy — Cloud Computing Cohort

Sep 2024 – Jan 2025

Completed an intensive cloud computing program focused on Google Cloud Platform (GCP), cloud infrastructure, deployment, and cloud-based application development. Collaborated on team projects and gained hands-on experience in implementing cloud services.

EDUCATION

Universitas Muhammadiyah Prof. Dr. Hamka (UHAMKA)

Sep 2022 – May 2026

Bachelor of Informatics Engineering — GPA: 3.37 / 4.00

Studied Informatics Engineering with focus on information systems, web development, and database management. Experienced in developing web-based applications through academic projects, including e-commerce systems and sales forecasting implementation. Familiar with PHP, MySQL, and Google Cloud Platform (GCP).

ORGANIZATIONAL EXPERIENCE

HIMATI UHAMKA — (Himpunan Mahasiswa Teknik Informatika) Jan 2023 - Jan 2024

Secretary of Public Relations and Communication Division

Responsible for managing administrative documents, preparing meeting notes and organizational reports, and coordinating internal and external communication activities. Assisted in handling publication and information dissemination through social media and organizational platforms, as well as supporting the planning and execution of organizational events and programs.
